

# Inauguration symposium of the Interdepartmental Mass Spectrometry Center

**Tuesday 11 December 2018**  
**Room U4-08**

14:30 – *Welcome addresses*

**Marina Lotti**, Director of the Department of Biotechnology and Biosciences

**Andrea Zanchi**, Director of the Department of Earth and Environmental Sciences

**Marco Orlandi**, Department of Earth and Environmental Sciences

**Rita Grandori**, Department of Biotechnology and Biosciences

14:45 – **Serena Santacesaria**, Thermo Fisher Scientific, IT

*“Thermo Fisher Scientific: An overview of the Chromatography and Mass Spectrometry Division”*

15:00 – **Pierpaolo Nebuloni**, Thermo Fisher Scientific, IT

*“FTMS Orbitrap™: The analyzer that has revolutionized the mass spectrometry world”*

15:15 – **Maria Perla Colombini**, Department of Chemistry and Industrial Chemistry, University of Pisa, IT

*“LC/MS as a useful tool to understand/investigate colors in cultural heritage”*

15:55 – Coffee Break

16:10 – **Pierluigi Mauri**, Institute of Biomedical Technologies, National Research Council (CNR), Segrate, IT

*“Applications of the Orbitrap technology to clinical proteomics”*

16:50 – **Frank Sobott**, The Astbury Centre for Structural Molecular Biology, University of Leeds, UK

*“Applications of the Orbitrap technology to structural biology - A perspective from a 4-year COST experience”*

17:30 – Aperitif

[Please confirm your participation to silvana.biraghi@thermofisher.com](mailto:silvana.biraghi@thermofisher.com)
