

03

October 2022

Chemical, Geological and Environmental Sciences PhD Day

 **AULA SIRONI U4-08**

9:30 Welcome and Opening

9:50 «Circular and closed-loop approaches for algae:
a bioeconomy perspective for Latvia»
Prof. Francesco Romagnoli – University of Riga

10:40 Coffee break

11:10 «Toward the rock masses failure hazard
assessment»
Prof. Michel Jaboyedoff – University of Lausanne

12:00 «Small Molecule Activation at Transition Metal
Centers: Structure-Function Correlation»
Prof. Kallol Ray – Humboldt-University of Berlin

 **GALLERIA DELLA SCIENZA U3 – U4**

14:30 PhD students poster session
